# A Message from the Junior Warden

Dear Parish Members,

First, I hope the new year has been a good one for you all. As we face another year of uncertainty around Covid, I remind myself that we are still strong and in this together with God's grace.

I can't believe that this is my 29<sup>th</sup> year at St. Andrew's. What a gift it has been to be a part of this parish from the moment I walked in the door. I have never felt so welcomed. I also quickly learned that the Episcopal Church fit me perfectly. After much church shopping it was so awesome to find a church where my beliefs were such a match. Finally, I had come home.

And, since that time, I have done many ministries just like most of us. I've been on the Vestry and been Senior Warden many times. I've served on the Garden Guild. I serve on Altar Guild and have been a Eucharistic Minister for almost the entire 29 years. Oh, and I can't forget the Search Committees, Finance Committee and Delegate to Convention. And most of you could list the same.

And now, I am doing a ministry that I was never called to do in the past: that of Junior Warden. Yes, I am in charge of helping to maintain our beautiful church and Parish Hall. I have found immediately that there is a lot of work to do. As I could never call myself a "handyman", I know that if the call is put out for help, it will be answered by you faithful servants. I would only have volunteered to do this job because I know that you will all be there to help and I thank you in advance.

With much love and devotion, Rochelle

Have a Holy Lent ...

Last year when people asked what I was doing for Lent I replied with a tad too much energy that for Lent I am not doing anything for Lent, because the lockdown, social distancing and refraining from gathering had been a year long Lent. If chocolate helped keep my sanity, then chocolate in Lent it was ...

So, it is a gift that with life so much more normal-ish that observing a holy Lent is thinkable again. I look forward to observing Lent together and being with you as your supply priest for Holy Week and Easter. And this Lent, I invite you to observe it together, in person -ish ...

**Ash Wednesday Liturgy, March 2nd: 12:00 noon**

We will celebrate the traditional Ash Wednesday imposition of ashes liturgy at St. Andrews at noon. I will have both the traditional ashes as well as a charcoal crayon that I will bless that you can use to impose ashes on yourself if you prefer a no contact option.

**Ashes to Go: Felton Safeway parking lot: 4:00 pm - 6 pm**

Ashes to Go returns! I invite parishioners who would like to join me for a public imposition of ashes at the Safeway. I have found people to quietly but eagerly embrace Ashes to Go and it is a lovely public witness of our faith. I would love it if a few parishioners could join in: let me know. An acolyte in an alb and with the cross would be nice.

**Lenten Soup Study: Wednesdays at 5:00 pm; March 9th, 16th, 23rd, 30th and April 6th**

Please join us for a simple soup supper (= dinner; but have the words have the same root). We will be studying The Way of Love, a Lenten study from the national church and inspired by the Presiding Bishop, Michael Curry. He is known for proclaiming that "if it's not about love, it's not about God" This study is designed to help us reflect spiritually on that insight as a way of life as Christians.

Please call or email Sharon to volunteer to bring the soup for one of those Wednesday's as we set up a roster for it.

And a big thank you to everyone for making me feel very welcome as your supply priest! I have enjoyed your hospitality and fellowship as I make my Sunday pilgrimage into the redwoods!

Fr. Craig Vance

## **Who is Saint Valentine – Is there more than one?**

Some believe that he was a Catholic priest and physician in Rome who was beaten to death under the Christian persecution of Emperor Claudius II, who ruled from 268 to 270 A.D. Some accounts say that before he was martyred, he was thrown in jail where he befriended the jailer's blind daughter and restored her sight. The day of his execution, he left a note for this girl to thank her for her friendship and signed it "From your Valentine." Some accounts say that he rubbed ointment in her eyes on several occasions or prayed for her incessantly to heal her. The other legend is that he left a blossom in his farewell note, and that blossom healed her. This note may have been the first valentine.

The second, and perhaps more well-known, story is that St. Valentine was a priest who married couples during the reign of Claudius II, who outlawed marriage in order to keep his soldiers focused on war rather than wives. This priest was eventually caught and martyred. Some say that while he was in jail, lovers slipped notes and flowers into his cell to thank him for believing in marriage and love.

Both St. Valentines are believed to have been martyred on Feb. 14. It's interesting to note that, in ancient Rome, Feb. 14 was the day honoring Juno, the queen of the Roman gods and goddesses, who was also the goddess of women and marriage. Feb. 15 was the start of the Feast of Lupercalia, during which Roman boys drew the names of Roman girls from a jar in order to choose a partner for the festival. In the early Christian church, the Roman priests tried to Christianize the pagan holiday by placing the names of saints in the jar so that those choosing would draw a patron saint for the year instead of a maiden's name. Pope Gelasius declared Feb. 14 the day to honor St. Valentine in 496 A.D.

During the Middle Ages, popular thought was that birds paired midway through February, thus Feb. 14 lent itself to being a day for lovers. In England and France, St. Valentine was one of the most popular saints. Many traditions developed, such as children dressing up as adults and going from home to home singing verses like:

*Good morning to you, valentine;  
Curl your locks as I do mine ---  
Two before and three behind.  
Good morning to you, valentine.*

Flowers, poems and small gifts have been a Valentine's Day tradition for centuries. The oldest known Valentine was given by the Duke of Orleans to his wife after he had been taken prisoner by the English in 1415.

In the United States, Esther Howland is credited with sending the first valentines. Commercial valentines were first produced in the 1800s.

THE  
*Episcopal*  
CHURCH

*I pray that you, being rooted and established in love, may have power, together with all the Lord's holy people, to grasp how wide and long and high and deep is the love of Christ, and to know this love that surpasses knowledge—that you may be filled to the measure of all the fullness of God. – Ephesians 3:17-19*

An Invitation  
from Presiding Bishop Michael B. Curry  
to Practice the Way of Love

In the first century Jesus of Nazareth inspired a movement. A community of people whose lives were centered on Jesus Christ and committed to living the way of God's unconditional, unselfish, sacrificial, and redemptive love. Before they were called "church" or "Christian," this Jesus Movement was simply called "the way."

Today I believe our vocation is to live as the Episcopal branch of the Jesus Movement. But how can we together grow more deeply with Jesus Christ at the center of our lives, so we can bear witness to his way of love in and for the world?

The deep roots of our Christian tradition may offer just such a path. For centuries, monastic communities have shaped their lives around rhythms and disciplines for following Jesus together. Such a pattern is known as a "Rule of Life." The framework you now hold – **The Way of Love: Practices for Jesus-Centered Life** – outlines a Rule for the Episcopal branch of the Jesus Movement.

It is designed to be spare and spacious, so that individuals, ministry groups, congregations, and networks can flesh it out in unique ways and build a church-wide treasure trove of stories and resources. There is no specific order you need to follow. If you already keep a Rule or spiritual disciplines, you might reflect and discover how that path intersects with this one. By entering into reflection, discernment and commitment around the practices of **Turn – Learn – Pray – Worship – Bless – Go – Rest**, I pray we will grow as communities following the loving, liberating, life-giving way of Jesus. His way has the power to change each of our lives and to change this world.

Your brother in the Way of Jesus,

+Michael

**THE WAY OF LOVE**  
*Practices for Jesus-Centered Life*

## What is the Way of Love?

The Way of Love is a way of life. More than a program or curriculum, it is a return to the ancient pathways and Rules of Life that followers of Jesus have observed for centuries. They knew the power of commitment to a core set of practices – Turn, Learn, Pray, Worship, Bless, Go, Rest – and the power of gathering in a small group where you find love and support for living into these commitments. If we hope to not only worship Jesus but to grow more like him and bear his redeeming love in the world, we can adopt a rule of life like the Way of Love and find a community with which to practice it.

What is a Rule of Life? How Do I Begin? A Rule of Life is an intentional commitment to a set of practices that provide guidance, rhythm and inspiration for living a beautiful, meaningful and holy life. As we place these practices at the heart of our daily lives and join with companions who share the commitment, we grow more and more in the unselfish, hope-filled Way of Love that Jesus embodied in the world.

Exploring and Living the Practices We invite you to take time exploring these practices for living a Jesus-centered life. Sit with the words from scripture and from the Book of Common Prayer, pray over the practice, reflect and discern where God is calling you, and note the “Helpful Terms” at the end if you want to learn a little more. And remember: no one follows Jesus all alone. The ideal way to live the Way of Love is in a community of love, support and accountability.

The first of the steps is

### **TURN:** Pause, listen and choose to follow Jesus

As Jesus was walking along, he saw Levi son of Alphaeus sitting at the tax booth, and he said to him, “Follow me.” And he got up and followed him. – Mark 2:14

“Do you turn to Jesus Christ ...?” – Book of Common Prayer, 302

Like the disciples, we are called by Jesus to follow the Way of Love. With God’s help, we can turn from the powers of sin, hatred, fear, injustice, and oppression toward the way of truth, love, hope, justice, and freedom. In turning, we reorient our lives to Jesus Christ, falling in love again, again, and again.

For Reflection and Discernment

- What practices help you to turn again and again to Jesus Christ and the Way of Love?
- How will (or do) you incorporate these practices into your rhythm of life?
- Who will be your companion as you turn toward Jesus Christ?

Over the next several months we will walk through the next step.
